Dear Colleagues

On behalf of the scientific committee, it gives us great pleasure to welcome you at ‘Abu Dhabi Pediatric Scientific Day’ that is scheduled to be held at InterContinental Hotel, Abu Dhabi on May 9, 2014. Another significant milestone in our mission to scope issues and challenges in paediatric practice in order to raise awareness and consider ways towards better care for pediatric patients.

The program aims to discuss the latest developments in Pediatrics and management strategies through a wide array of topics of interests to be addressed by distinguished speakers and experts in their fields. Various disease areas will be featured and a selected group of common pediatric problems will be discussed, including Groin Pathology in Children and Neonates, Atopic Dermatitis in Pediatric Population, Screening for Mental Health Disorders for Pediatric Practice, Challenges and Possibilities for Congenital and Pediatric Cardiac Patients in the UAE, Introduction to Childhood Epilepsies and many more.

We wish you a unique learning experience to keep abreast of the latest advances in pediatrics and hope that you will enjoy your network with your peers.
