Welcome from the Chair

Dear Colleagues

Under the Patronage of Lt. General HH Sheikh Saif bin Zayed Al Nahyan Deputy Prime Minister and Minister of Interior, it gives me immense pleasure to welcome you to attend the Pan Medical Conference, 2014 on Women’s Health. The conference will be held at Rosewood Hotel in Abu Dhabi, UAE on the 16th -18th of October, 2014.

Building on the success of last year’s specialized conferences organized by Abu Dhabi Police GHQ, it was decided to conduct an integrated medical conference to emphasize the holistic approach in addressing health related issues of various risk groups. The integrated conference will be held every two years in Abu Dhabi. The theme of this year is improving health for women. The Scientific Committee has prepared a comprehensive program that address important women health issues.

A comprehensive three day conference has been prepared through a combined collective effort by the members of the scientific committee, who furthermore has secured participation of high caliber international, regional and national speakers working in women’s health.

The conference presents high-level scientific content with major updates and state of the art lectures on women health issues. Furthermore, to accommodate the comprehensive scientific program three parallel symposia, meet the expert sessions and clinical practice workshops will run simultaneously for each sub-specialty. We bring you a neutral interface with the industry in order to present the latest in available therapeutics and technology that will help you provide the best possible care for your patients.

On behalf of the scientific committee, it gives me great pleasure to welcome your participation in this unique educational experience enhancing the understanding of women’s health in the Middle East and GCC countries.

Best regards,

Lieutenant Colonel
Najla Taher, MD
Chair, PAN Medical Conference (Women Health)
Head, Dermatology
